

Pinnacle

Sink into total comfort with the Pinnacle rocking recliner. When you're looking to lie back and put your feet up, there are 16 recline positions to choose from as well as three different settings for the supportive leg rest.

But that's not all – it can also be used as a rocking chair, giving you the best of both worlds. Every piece of La-Z-Boy furniture is built by hand by skilled artisans who cut, sew and assemble each item to order, allowing you to customize your rocking recliner with a premium fabric of your choice.
