

Pinnacle Power

With the Pinnacle Power Rocking Recliner, relaxing has never been easier.

Operated by the touch of a button, you can find your perfect position to unwind and de-stress. And when you're not using it as a recliner, it turns into a comfortable rocking chair with a smooth soothing motion to rock your cares away.

This power rocking recliner comes with built-in USB socket so you can charge up your devices as you rest. You can also choose from a number of stunning leathers and fabrics to suit your home.
